CriticalLinc™ Network Announcement

ACTION REQUIRED: It's time to install new MCPTT apps on your iPhone.

New Linc MCPTT enables access to more talk groups and contacts and lets users customize more app settings than ever before. Please proceed to download Linc MCPTT on your iPhone using the instructions below.

Follow the instructions below to install Linc MCPTT.

1. Open the App Store from your iPhone and click on the search icon. Enter **Linc MCPTT** to begin a search.

2. Select **Linc MCPTT** from the results and touch **Get** on the App Information screen. Let the app download and install. **Open** the app.

3. Contact the Customer Solutions Center at **1-888-818-5462** to set up an account and/or for username and password credentials.

Your installation is complete.

Thank you.
